Transient-Induced Latchup in CMOS Integrated Circuits

When half of mankind revolts and demands more opportunity, those at the top decide on a compromise: They will build the first colony ships and allow the rest to discover new worlds and start. Discontent over slow growth, political stalemates, and widespread corruption means that these could be the most wide-open elections in a generation.

The Not-So-English Garden

We have full permission to create a New World Order where all the forces of privilege lie dead and buried forever.
