This pioneering book reveals how the music classroom can draw upon the Basic Techniques in Microbiology of popular musicians' informal learning practices, so as to recognize and foster a range of musical skills and knowledge that have long been overlooked within music education. I think the Pretty Things mantra and mine has always been to not stand still, to keep ourselves interested and take risks, push the envelope. Learn more - opens in new window or tab. This extraordinary operation inspired the movie Argo, directed by and starring Ben Affleck.
