Eleswhere, Zuko struggles with a similar dilemma as Iroh tries to teach him lightning-bending, an advanced form of firebending; Zuko's anger keeps him from having the cold precision lightning bending requires, and he is acutely aware it is a skill both his father and sister have mastered.

A Sailor on Every Port: Gay Erotic Romance

Since raw materials were expensive, textile workers rarely had enough capital to be self-employed, but would take raw materials from a merchant, spin or weave the materials in their homes, and then return the finished product and receive a piece-rate wage. The prolific director has often resorted to multitasking to lower production costs and maintain creative control over his projects.
